Global SaaS Provider's West Coast Headquarters Praised by Employees for Rewarding Work and Top-Down Leadership

BURLINGTON, Mass., June 29, 2016 —Everbridge, a global enterprise software company that provides applications which automate the delivery of critical information to help keep people safe and businesses running, was recently named one of the Best Places to Work in Los Angeles by the *Los Angeles Business Journal* and Best Companies Group. The awards program honors the best employers in Los Angeles, benefiting the county's economy, workforce and businesses.

The companies included on the Los Angeles Business Journal's 2016 Best Places to Work list are primarily determined by employee surveys that measure the employee experience. Workplace policies, practices, philosophy, systems and demographics are also taken into consideration during the selection process. In employee reviews, Everbridge was recognized for its team-oriented culture and the rewarding ability to make a difference every single day. The company was also praised for its accessible management style that motivates employees to take ownership of their own careers.

"To be named a best place to work is an honor and a huge testament to the level of commitment and drive that Everbridge's executive team and its employees show every single day," said Shane Garoutte, General Manager and Vice President, Technology Operations at Everbridge. "We are thrilled to receive this award and look forward to expanding our presence as a leading innovator and employer in Southern California."

The global company recently moved its West Coast headquarters to a larger office space in Pasadena to accommodate its rapid growth. Everbridge is excited to be a part of Pasadena's emerging technology and innovation hub and its close proximity to public transportation and the renowned California Institute of Technology campus.

In 2015, Everbridge sent more than one billion messages, and it currently serves eight of the 10 largest U.S. cities, 24 of the top 25 airports and 7 of the 10 largest U.S.-based investment banks. Everbridge remains committed to supporting a workplace environment that prides itself on attracting and retaining top talent which is dedicated to making a difference and maintaining a winning culture.

About Everbridge:

Everbridge is a global enterprise software company that provides applications which automate the delivery of critical information to help keep people safe and businesses running. During mission-critical business events or man-made or natural disasters, over 2,700 global customers rely on the Everbridge platform to quickly and reliably construct and deliver contextual notifications to millions of people at one time. The company's platform sent over 1 billion messages in 2015, and offers the ability to reach more than 200 countries and territories with secure delivery to over 100 different communication devices. A broad set of applications enable companies, hospitals, agencies, states, cities and towns to address issues related to severe weather and man-made incidents, IT outages and cyberattacks, safety of traveling staff, and facilitate regulation-compliant messaging. Everbridge serves 8 of the 10 largest U.S. cities, 7 of the 10 largest U.S.-based investment banks, 24 of the 25 busiest North American airports, and 6 of the 10 largest global automakers. Everbridge is based in Boston and Los Angeles with additional offices in San Francisco, Beijing and London.
