

## Diebold Nixdorf Deploys Everbridge's Critical Event Management Platform to Support Employee Safety and Accountability

June 5, 2019

*Retail and Financial Services Technology Leader to Leverage Everbridge to Enhance Situational Awareness and Enterprise Critical Communications to Distributed Global Workforce*

BURLINGTON, Mass.--(BUSINESS WIRE)--Jun. 5, 2019-- [Everbridge](#), Inc. (NASDAQ:EVBG), the global leader in critical event management and enterprise safety software applications to help keep people safe and businesses running, today announced that Diebold Nixdorf has selected Everbridge's [Critical Event Management \(CEM\) platform](#) to accelerate situational awareness and employee safety. The organization's Enterprise Safety and Security (ESS) team will use the Everbridge system to effectively communicate with over 23,000 distributed employees, many of whom travel extensively, work remotely or operate in the field. The ESS team will also empower employees with the Everbridge mobile app to facilitate two-way communications and polling notifications during critical events and disruptions.

Diebold Nixdorf, Incorporated is a world leader in enabling connected commerce. The company automates, digitizes and transforms the way people bank and shop, and has a presence in more than 100 countries worldwide. With many of the company's employees operating in the field, traveling internationally or servicing clients, the ESS team required a scalable and reliable solution to eliminate reliance on call trees and other manual, siloed processes in order to centralize critical event management and communications.

"With unpredictable global events on the rise, and many of our employees operating in remote locations around the world, we needed a solution that would serve as the cornerstone of our enterprise critical communications program," said Bob Weronik, VP Enterprise Safety and Security, Diebold Nixdorf. "Everbridge is the clear leader in the critical event management space and can help deliver the functionality required to securely reach our global employees, confirming their safety during events and enabling them to resume their business responsibilities."

### About Everbridge

[Everbridge](#), Inc. (NASDAQ:EVBG) is a global software company that provides enterprise software applications that automate and accelerate organizations' operational response to critical events in order to keep people safe and businesses running. During public safety threats such as active shooter situations, terrorist attacks or severe weather conditions, as well as critical business events including IT outages, cyber-attacks or other incidents such as product recalls or supply-chain interruptions, over 4,500 global customers rely on the company's Critical Event Management Platform to quickly and reliably aggregate and assess threat data, locate people at risk and responders able to assist, automate the execution of pre-defined communications processes through the secure delivery to over 100 different communication devices, and track progress on executing response plans. The company's platform sent over 2.8 billion messages in 2018 and offers the ability to reach over 500 million people in more than 200 countries and territories, including the entire mobile populations on a country-wide scale in Sweden, the Netherlands, the Bahamas, Singapore, Greece, and a number of the largest states in India. The company's critical communications and enterprise safety applications include Mass Notification, Incident Management, Safety Connection™, IT Alerting, Visual Command Center®, Population Alerting, Crisis Management, Community Engagement™ and Secure Messaging. Everbridge serves 9 of the 10 largest U.S. cities, 9 of the 10 largest U.S.-based investment banks, all 25 of the 25 busiest North American airports, six of the 10 largest global consulting firms, six of the 10 largest global auto makers, all four of the largest global accounting firms, four of the 10 largest U.S.-based health care providers and four of the 10 largest U.S.-based health insurers. Everbridge is based in Boston and Los Angeles with additional offices in Lansing, San Francisco, Beijing, Bangalore, Kolkata, London, Munich, Oslo, Stockholm and Tilburg. ### Cautionary Language Concerning Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, including but not limited to, statements regarding the anticipated opportunity and trends for growth in our critical communications and enterprise safety applications and our overall business, our market opportunity, our expectations regarding sales of our products, and our goal to maintain market leadership and extend the markets in which we compete for customers. These forward-looking statements are made as of the date of this press release and were based on current expectations, estimates, forecasts and projections as well as the beliefs and assumptions of management. Words such as "expect," "anticipate," "should," "believe," "target," "project," "goals," "estimate," "potential," "predict," "may," "will," "could," "intend," variations of these terms or the negative of these terms and similar expressions are intended to identify these forward-looking statements. Forward-looking statements are subject to a number of risks and uncertainties, many of which involve factors or circumstances that are beyond our control. Our actual results could differ materially from those stated or implied in forward-looking statements due to a number of factors, including but not limited to: the ability of our products and services to perform as intended and meet our customers' expectations; our ability to attract new customers and retain and increase sales to existing customers; our ability to increase sales of our Mass Notification application and/or ability to increase sales of our other applications; developments in the market for targeted and contextually relevant critical communications or the associated regulatory environment; our estimates of market opportunity and forecasts of market growth may prove to be inaccurate; we have not been profitable on a consistent basis historically and may not achieve or maintain profitability in the future; the lengthy and unpredictable sales cycles for new customers; nature of our business exposes us to inherent liability risks; our ability to attract, integrate and retain qualified personnel; our ability to successfully integrate businesses and assets that we may acquire; our ability to maintain successful relationships with our channel partners and technology partners; our ability to manage our growth effectively; our ability to respond to competitive pressures; potential liability related to privacy and security of personally identifiable information; our ability to protect our intellectual property rights, and the other risks detailed in our risk factors discussed in filings with the U.S. Securities and Exchange Commission ("SEC"), including but not limited to our Annual Report on Form 10-K for the year ended December 31, 2018 filed with the SEC on March 1, 2019. The forward-looking statements included in this press release represent our views as of the date of this press release. We undertake no intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. These forward-looking statements should not be relied upon as representing our views as of any

date subsequent to the date of this press release.
