About Everbridge

[Everbridge, Inc.](http://www.everbridge.com/) (NASDAQ: EVBG) is the global leader in critical event management and enterprise safety applications that automate and accelerate an organization's operational response to critical events in order to keep people safe and businesses running faster. During public safety threats such as active shooter situations, terrorist attacks or severe weather conditions, as well as critical business events such as IT outages or cyber-attack incidents, over 3,400 global customers rely on the company's SaaS-based platform to quickly and reliably aggregate and assess threat data, locate people at risk and responders able to assist, automate the execution of pre-defined communications processes, and track progress on executing response plans. The company's platform sent over 1.5 billion messages in 2016, and offers the ability to reach over 200 countries and territories with secure delivery to more than 100 different communication devices. The company's critical event management and enterprise safety applications include Mass Notification, Incident Management, IT Alerting, Safety Connection™, Community Engagement®, Visual Command Center®, Crisis Commander® and CareConverge™, and are easy-to-use and deploy, secure, highly scalable and reliable. Everbridge serves 8 of the 10 largest U.S. cities, 8 of the 10 largest U.S.-based investment banks, all four of the largest global accounting firms, all 25 of the 25 busiest North American airports and 6 of the 10 largest global automakers. Everbridge is based in Boston and Los Angeles with additional offices in San Francisco, Lansing, Beijing, London and Stockholm.
